- **Cold Weather Protocol:** Our goal is to have the students outside for regularly scheduled recesses (refer to the winter weather recess guidelines below). Please send your children to school in weather appropriate attire.

Winter Weather Recess Guidelines	
Temperature	Recess
10°F and above	Full recess
Between 0-9°F	Shortened Recess
Below 0°F	Remain indoors

- **Inclement Weather School Closure Reminders:** Families will receive an automated message. Please do not call the school to see if classes will be held.
- **Inclement Weather Early Release Reminders:** On rare occasions, a decision to close the school early might have to be made. The school will take all precautions to make contact with parents or guardians. We encourage all parents to develop an emergency procedure with their children if they are not at home when the child arrives home early from school such as going to a neighbor's house or arranging for your neighbor to have a key, going to a babysitter's house, calling a parent at work, etc.
