Important Reminders:

- **NEW! Bristol Lunchroom Supervisor Vacancy:** Bristol School is looking for lunchroom supervision help. This position is scheduled to work Mondays-Fridays from 10:30am-1pm on all days that school is in-session. The pay rate is \$16 per hour. If interested, please contact Ale Medina at 262-891-4017 or medina.ale@bristol.k12.wi.us to learn about how to apply.
- **NEW! Act 20 Early Literacy Screenings:** Beginning the week of 9/16 through the end of September, we will be administering early literacy screenings for students in 4K-2nd grade. While the state is allowing us to delay initial screenings until winter, Bristol School has opted to do a trial run to ensure we are ready for full compliance later this year. After the screening, families will be notified of their child's progress in specific areas of early literacy. An early literacy night will be held later in the fall with more information for families.
- **NEW! WI Forward Individual Student Reports:** We will be sending individual student reports (ISRs) home next week with students in grades 4-7 who took the Forward exam at Bristol in spring of 2024. Please take time to review the assessment results to see how your child performed on the assessment. Remember that the ISR is just one of many indicators of your child's academic performance. In order to obtain a more complete picture of your child's areas of strength and growth, it is important to consider information from a variety of sources.
- **NEW! Counseling Department Resources:** Annually, mental health organizations, agencies, schools, and individuals across the U.S. and world rally together to help, share resources, and create awareness of suicide prevention during September, Suicide Prevention Month.
 1. September is Suicide Prevention Month: Please help raise awareness about the actions we can all take to prevent suicide. Mental wellness is important at all times and all year long. September is recognized as Suicide Prevention Awareness Month. Please be there for each other, know the signs, reach out, raise awareness, and share resources. If you or someone you know is in an emergency, call 911. For more information: [988 Suicide & Crisis Lifeline Prevention Month](#)

North Parking Lot Pick-Up Information:** Starting on Monday, September 9, 2024, when picking up your children from the north parking lot, please remain in the yellow-lined area across from the sidewalk or on the sidewalk west of the school building (near the playground) to wait for your children. This will help with congestion and safety during the pick up process.
