

BRISTOL SCHOOL'S SHARING CENTER FOOD DRIVE

Coordinated by the Bristol Student Council

Nov. 8-16th

What the Sharing Center needs the most: soups, rice, breakfast bars, cereal, canned fruit/vegetables, peanut butter, toilet paper, paper towels, personal hygiene items, cleaning products. Donations can be dropped off at school entrances or students may drop them in crates outside their classrooms. Any non-perishable food or toiletry item is appreciated.

WHAT IS THE SHARING CENTER?

The Sharing Center is Western Kenosha County's Resource Center and Food Pantry located in Trevor, Wisconsin. Their mission is to provide for basic needs and to empower people in their transition to independence. We provide a helping-hand to those living in our community by providing an emergency food pantry, hygiene supplies, clothing, household items, winter outerwear, school supplies, and employment resources.
